

welcome to our house!

Did you know that the church is the house of God and His people? It's true. Just like any home, there are a few things you need to know when you come inside, so we have listed the "House Rules" for COTM. Check them out and let us know if you have any questions. We would love to be of help. Don't forget...make yourself at home!

Food and drinks are not permitted in the auditorium.

Upon arrival, we invite you to grab a cup of coffee at one of our complimentary coffee locations in the lobby. For just a little pocket change, you can enjoy your free coffee with a piece of fruit or a bagel from the Coffee Spot. Just stop by and check out the full menu of assorted pastries, fruits, and drinks.

Smoking is not permitted inside the buildings.

You may smoke in the parking lot or lawn areas if you feel the need to do so.

Please silence your cell phone in the auditorium.

Trust us, life doesn't end when you silence your cell phone.

No re-entry into the auditorium.

If you must leave during one of the services (most services are under 75 minutes), you won't be able to re-enter the auditorium. That's the bad news.

The good news is you can finish watching the service on one of our large lobby monitors. May we suggest a bathroom break BEFORE entering the service. Just a thought...

Please don't leave the auditorium during prayer.

Children five years of age and under are not permitted in the auditorium.

We have world-class children's services. If you have ANY questions about our children's programs, please don't hesitate to ask. If you're not comfortable putting your child into one of our age-appropriate classes, you are welcome to sit with them in our lobby and watch the service there.

Auditorium doors are closed at the beginning of the message portion of our service.

If you aren't able to make it into the service, you have some options. Your children may be checked into classes up until the time the message begins, and you may sit and watch the service in the lobby. You can also download the message at home (plus loads of other messages) FREE via our podcast. Simply visit churchonthemove.com and click on the COTM podcast button on the homepage.
